

Appendix 7 - List of Stakeholders Informed of Consultation by Category in the Statement of Community Involvement

NB Some organisations were contacted more than once because of the different interests they represent. For example, Wiltshire County Council (highways, education, strategic plans, community etc). Others were contacted more than once because several members have individually asked to be kept informed of the LDF process, for example, Devizes Development Partnership, several Parish Councils and RPS Planning. In the following lists the name of organisation is only included once to demonstrate the range of people contacted.
